The star rating is based on the food hygiene standards found at the premises on the day of inspection and is intended to provide customers with an indication of the likely standards to be expected at the establishment. It is not a guarantee of safe food, nor does it affect the customer's statutory rights.

Conditions may have changed since this date.

Factors such as cleanliness of business, safety of food, repair issues and management were taken into account when deciding on the hygiene rating.

The establishment will be reassessed during the next routine inspection.

This certificate is the property of St. Helens Council and may be withdrawn at any time by the Environmental Health Section.

Where we find this certificate being misused for the benefit of the business, we shall remove the certificate and the matter shall be referred to the Police for criminal investigation.
